BIGGEST MORNING TEA SNAPS

WOW, HASN'T THE WEATHER CHANGED SO QUICKLY?!

You may find your scalp dry and hair frizzy or /And fluffy as all that can come with the change of weather. Please come and discuss with us as the products you use may need changing.

I have put aside some dedicated time on a Saturday to do one-to-one consultations. I would love to help you with all hair-related issues.

Our Biggest Morning Tea for Cancer Council was a huge success with over 150 guests enjoying delicious food mostly supplied by Good Grocer and some homemade added.

Our compares John Burgess & Nat Foster were fantastic in setting the mood. There were lots of games, prizes, and an amazing silent auction (with everything donated).

The most overwhelming generosity from our Pierrot's network, family & friends helped us raise over **\$20,000** with \$'s still coming in.

RE-INTRODUCING JOANNE

JOANNE IS OUR MULTITASKER WHO MANAGES THE FRONT DESK AND WORKS MAGIC ON LASHES AND BROWS.

Adding to her skills, Joanne will begin her barbering apprenticeship next month. We feel fortunate to have Joanne as a valuable member of our exceptional team.

Joanne's favourite product is: Botanical Repair Bond-building Styling Creme – because it always leaves my hair feeling soft and frizz-free!

Joanne's biggest love is her dog, Winston. Here's a brief rundown on Winston: Winston is a Shar-Pei x Husky rescue dog, he recently gained a brother called Hagi since Jo and her partner moved in together. They love being in each other's company.

What brings joy to Joanne's day at Pierrot's: I get to spend my days with some of my favourite people. When you work with your family, is it work?
